

SCENE Schoolyard Habitat Program Application

School:

Address:

District:

Grade levels served:

Size of student population: % minority: % "at risk":

Project team leader:

Position:

Email:

Telephone: (w) (h)

Fax:

Please provide the following information:

1. Does your principal support the project?
2. Has your district approved the project?
3. Have you assembled a project team? If yes, please give the names and positions of team members. *Your team should include the principal or assistant principal, and a staff development person from your school or district.*
4. Briefly describe the project you envision. Include size of the habitat area.
5. List the major goals of the project.
6. Have you begun work on the project? If so, what have you done?
7. Have you applied for or already received funding? How much and from what sources?
8. What time frame do you envision for completing the project?
9. Are there parents or community members with special skills who will help you realize the project? Please list (e.g., landscape professionals, local nursery willing to donate materials, etc.)
10. Please describe any special needs or concerns you have about the project.

Please submit your completed application to:

Kathryn Kyle
